

Welcome to the Bromley View Inn

You are staying in one of our pet friendly rooms. We are very happy to be able to accept pets on a limited basis, however in order to continue to do so we are forced to have some restrictions.

Please be mindful that not all guests love dogs as much as we do. Pets must be kept on a leash at all times when traveling through the inn. This is for the safety of your pet and our other guests. Please feel free to walk and exercise your pet off leash behind the inn or in our lower lot.

Please pick up after your pet. There is a waste basket outside for its disposal. If you need bags, please feel free to ask.

Pets are not to be left in the room unattended. Your pet may be perfect at home, but sadly can become stressed during traveling. This stress can cause them to cause damage in the room when left alone. If there is any damage, an appropriate damage fee will apply.

Pets are not allowed in the dining room. Our health inspector would not like that ☺

At any time if a pet becomes disruptive to other guests, Innkeepers Kami and Kevin, reserve the right to ask the guest and pet to leave.

Please understand that it is a privilege to be able to travel with your pet. Being a responsible pet owner will help us to be able to extend our pet friendly services for years to come. If you have any questions or concerns, please feel free to ask.
